

FDA COMPLIANCE OF SASOL POLYMERS PP CMR348

Sasol Polymers PP grade CMR348 has FDA compliance status with the here below mentioned regulations:

- Code of Federal regulations 177.1520

Our statement is based on the following arguments:

- The basic polymer is listed in paragraph (a) of 177.1520 as safe for use in contact with food.
- The optional adjuvant substances incorporated into the basic polymer comply with the applicable regulations in parts 170 through to 189 of the "Code of Federal Regulations".

Our certificate does not include:

- Modifications of the product by addition of any other product to it.
- Any prejudicial modification of the product resulting from inadequate processing of the product.
- Any inadequate use and/or storage of the material and finished articles.
